

s03e07 - From the Top Transcript

detail

Reality will cease to exist unless a selfless hero makes the ultimate sacrifice. But will it be enough to reverse the damage Nine caused to the universe?

(*dramatic music*)

(*Sonic and Nine groan*)

(*Sonic thuds*)

(*Nine growls and battle cries*)

(*Sonic yells*)

(*groans*)

(*grunts*)

You planned this for me?

(*Nine battle cries*)

Nine, listen!

I didn't understand what you were doing.

Whoa!

Stop talking!

You just wanted a better life!

Like Green Hill, but for both of us!

(*Sonic yells*)

Stand still and fight me!

(*wall explodes*)

(*Sonic and Nine groan*)

Huh?

It's over, Nine.

(*dramatic music*)

(*gasps*) Get back!

Don't make me destroy you all!

Is that what you want?

More destruction?

Look outside!

I'm sorry for everything, Nine.

I missed my home so much and was so focused on getting it back that I didn't listen to what you wanted or appreciate what you were trying to do.

I never meant to hurt you.

But you did.

(*Sonic sighs*)

I lost my home and all my friends.

But friends talk it out.

They don't turn their backs on each other and fight to the death.

Enough talk! Light this fox up, full volley!

Stop! Everyone stop!

This isn't the solution!

You would protect him?

I would.

The blue rodent has finally lost it.

Very well: destroy them both!

Stop, all of you!

In a few minutes, there won't be anything left to fight over.

The hedgehog makes a good point.

I need you to understand.

Their worlds have been shattered, their homes destroyed.

The same thing is happening here.

How do we stop this?

I pushed it too far.

This wasn't supposed to happen.

I...

I'm sorry, Sonic.

Without a great sacrifice, reality as we know it will be over.

(*somber music*)

(*Mangy Tails whines*)

It has been an honor, sisters.

(*Dr. Deep sobs*)

(*Dr. Babble giggles*)

Not yet.

Nine: Sonic, what are you doing?

Giving you a sacrifice.

You'd do that after everything I...

What are friends for?

If I do this, you must all promise to leave Nine alone!

Let him live peacefully in his new home in the Grim.

Sure, certainly. Invade? Us? (*chuckles*)

What do you mean?

Same goes for you, Nine.

Promise that you won't cause any more trouble in the other Shatterspaces.

How can we trust him?

You can trust me.

We have no choice.

It all ends here if we don't.

You have my word.

Hurry up already!

If I can extract the remaining Prism energy inside of him, I can use it to fully reform the Paradox Prism.

And then? Spit it out!

And then the Prism will finally be fully stable.

I can save everything.

You heard him.

We have a plan.

Let's move this along.

For once, I agree with the blue rat.

Do it already!

There's a risk.

If I remove the energy, he might fall apart.

What about Shadow?

Shadow wasn't there for the shatter event.

He blipped into this reality.

But I shattered the Prism.

And without the Prism energy binding him, I'm not sure he'll make it.

I'm ready.

It's the only way, Nine.

Do it.

(*dramatic music intensifies*)

(*system beeps*)

(*Sonic grunts*)

(*energy whirs*)

(*Sonic yells*)

(*energy whirs*)

(*thuds*)

Sonic, are you...

Me?

Never better.

He's still alive.

He didn't shatter!

(*energy crackles*)

Sonic grunts: Whoa...

(*energy crackles*)

Sonic grunts: Whoa!

His Prismatic energy has been extracted.

The Prism is whole.

His body is holding together, but I'm afraid it's only a matter of time before...

Easy, blue. I got ya.

Mr. Dr. Eggman: And we've got this!

(*gasps*)

(*growls*)

(*Nine grunts*)

(*Dr. Babble mutters*)

Stand down, Edge Lord.

I don't trust one hedgehog, let alone two.

Dr. Don't! Triangulate whatever is left of New Yoke City.

Once I calibrate to New Yoke City, we're outta here.

Ah-ah-ah! Careful!

Look at your friend. He's in no shape to fight.

He's right.

I'm gassed.

But if Nine could barely handle the power of the Prism, you clowns have no hope.

Now, now. We must all accept when our time is over.

But who knows?

Perhaps when I wield the power of the Prism, I'll create a version of you that's more agreeable.

When you wield it? (*scoffs*)

Wait until you see the VR world I've been planning.

I'll call it the "Egg-a-verse."

In your dreams, you no good whippersnapper!

What's a whippersnapper?

(*Dr. Babble mutters*)

Oh, cram it with walnuts, ya big baby, or I'll give you a permanent timeout!

Enough, you fools!

We stand at the precipice of a new world, and you would ruin my moment?

Your moment? Why, you sanctimonious...

(*Dr. Babble yells*)

(*Council members growl*)

(*dramatic music*)

Yes! Eat that!

Hi-ya!

Ya!

(*Dr. Babble mutters*)

(*Shadow growls*)

Hold on, Shadow.

Let's see how this plays out.

Stop! Stop, you morons!

Hi-ya!

Arghh! Should we do something?

Not yet. This is like candy to me.

(*energy crackles*)

(*Sonic grunts*)

Ooh, yeah.

(*energy whirs*)

(*Dr. Babble mutters*)

Babbles, no! Bad baby! Bad!

(*Dr. Babble mutters*)

(*gasps*) That is it.

You're getting a timeout!

(*energy beams explode*)

How about now?

Knock yourself out.

(*Shadow battle cries*)

(*Dr. Babble yells*)

Okay, that's it. I'm out!

Now we do something.

Mr. Dr. Eggman: No! This belongs to me!

I'll defeat all of you!

I'll... (*grunts*)

You haven't heard the last of us! You just wait!

We will amass an even greater army and destroy...

(*portal whirs*)

Good riddance.

(*Sonic groans*)

Sonic?

(*energy crackles*)

(*Sonic grunts*)

You were right, buddy.

(*energy crackles*)

(*Sonic grunts*)

Guess without the Prism energy...

(*energy crackles*)

(*Sonic grunts*)

I can't exist in the Shatterspaces.

With the Prism whole again, if I start the reformation process, theoretically, there's still a chance I can bring back Green Hill!

(*energy crackles*)

Sonic grunts: Green Hill?

(*energy crackles*)

(*Sonic grunts*)

Here goes.

(*dramatic music*)

(*energy whirs*)

Huh?

(*somber music*)

The Prism! It be...

Gone.

And nothing has changed.

Our attempt has failed.

Look!

(*gentle music*)

(*everyone gasp*)

(*ethereal music*)

(*ethereal music continues*)

The gateways are reforming.

Black Rose: No Place!

The Boscage Maze!

(*Birdie squawks*)

I don't know what that is, Birdie.

It's Green Hill.

You did it, Nine.

(*energy crackles*)

(*Sonic grunts*)

I'm not sure I'm gonna be able to outrun this.

Yes, you can, if you leave now.

Nine's right.

You get to your home, we'll get to ours.

Even if I wanted to, I can't. I'm outta juice.

You're not doing it alone. Not when you got friends here to help.

(*emotional music*)

Now hurry.

That Gateway won't be there forever.

(*Black Rose grunts*)

Need a ride?

(*Birdie squawks*)

(*energy crackles*)

(*Sonic grunts*)

Easy there, lad. I got you.

Rusty Rose: Let me give you a... hand.

Well, my friends, I just wanna say...

You got no time for speeches, boyo.

Fly!

And know we'll be rooting for ya.

Right.

Take care of each other, okay?

Hold tight, friend.

Let's go, Birdie. Fly!

Knuckles The Dread: Goodbye, Sonic!

Black Rose: Farewell!

(*Shadow clears his throat*)

Oh, I suppose you need a ride too?

You got this, Birdie!

(*bright music*)

(*Birdie squawks*)

Birdie, your wing!

(*Birdie squawks*)

It doesn't look good.

(*energy crackles*)

(*Sonic grunts*)

We're not gonna make it.

(*energy crackles*)

(*Sonic grunts*)

No!

Black Rose?

Happy to lend a hand!

Now hold on to your backsides.

We're gonna pick up the pace!

(*engines roar*)

(*Black Rose grunts*)

(*energy crackles*)

(*Sonic grunts*)

Hurry! He's not gonna make it!

(*groans*) I'm doing me best!

But this bucket of bolts is barely holding together!

Keep it steady. I will clear a path.

(*energy crackles*)

(*Sonic grunts*)

(*dramatic music*)

(*groans*)

I'm losing speed!

(*Shadow sighs*)

(*groans*)

Black Rose, you've brought us far enough.

I'll take it from here.

(*Sonic grunts*)

Goodbye, Roses.

(*dramatic music*)

(*energy crackles*)

(*Sonic grunts*)

I never knew you were a hugger.

(*energy crackles*)

(*Sonic grunts*)

Do you want me to save you or not?

(*energy crackles*)

(*Sonic grunts*)

(*dramatic music intensifies*)

(*Shadow groans*)

Hang on, Sonic!

Oh, where am I? (*gasps*)

It worked!

Knuckles!

Fly high, Rouge!

Nobody protects nature better than you, sweet Amy.

Hi, buddy. I can't tell you how much I missed you... or how much I can't wait to hear you say, "Sonic, wait!"

In less than 20 seconds.

(*Dr. Eggman laughs*)

Step away from the rock, egghead!

Not this time, you fool!

(*dramatic music*)

Sonic, wait!

all: Sonic, no!

Whuh?

all: Huh?

What do you think you're doing?

I'm just happy to see everyone.

Even you, Egg.

What? Stop that!

I can't stand you, you blue buffoon!

Okay, crew.

There are two things that are gonna happen here.

One, we protect that big shiny rock.

And two, we stick together no matter what it takes!

Now let's go crack that rotten egg.

Huh! I guess he finally heard the "stick together" part.

(*dramatic music*)

(*Amy grunts*)

(*Sonic grunts*)

Say goodbye to your trees and beaches!

My time has finally come!

Take the shot, Tails!

(*Dr. Eggman groans*)

Why, you little...

(*Dr. Eggman yells*)

Gotta admit, Sonic, this "stick together" plan might be our best one yet.

If I've learned anything, it's that we are a team, and together, we're unstoppable!

What's the matter with you, Sonic?

Did you eat another one of those truck stop chili dogs on your way over?

(*laughs*) Something like that.

You and your furry friends are adorable when you try this hard, hedgehog!

But the result is inevitable.

This world is mine!

(*energy crackles*)

Huh? Shadow?

What the heck are you doing here?

I am the ultimate life form.

I go wherever I want.

Whuh?

Chaos control!

No! What have you done?

Sorry, Eggman.

But when you've got a crew like mine, there's nothing that can stop you.

You haven't heard the last of me, Sonic!

"You will pay for this in ways you'd never imagine."

Yeah, yeah, I heard it a million times, Eggy.

And I can't wait for a million and one.

Cubot! Orbot! We're gonna need a bigger fleet!

Sir, yes, sir!

Oh, I've always wanted a bigger fleet!

(*everyone cheers*)

(*gentle music*)

(*Knuckles grunts*)

Tails: Sonic!

(*Knuckles groans*)

Ha, late again. What a surprise.

Oh, chili dogs!

I'm not late.

Just wanted to make sure the taste-o-meter on these chili dogs was at 110%.

Yeah, okay, Sonic.

You've been acting different since the cave.

Is something going on?

Okay, okay. The wildest thing just happened.

Right after the...

(*explosion in distance*)

(*everyone gasp*)

(*energy whirs*)

(*Sonic groans*)

(*eerie music*)

Oh, you gotta be kidding me.

Okay, team, we gotta go fast!

(*upbeat music*)
